

APPENDIX H: ACKNOWLEDGMENTS

The 1996 Long Range Development Plan was prepared under the auspices of the Office of the Vice Chancellor for University Advancement and Planning, Bruce Spaulding, AICP, Vice Chancellor. It was specifically produced by the Campus Planning Office, Robin Jones, AICP, Director.

So many individuals have contributed to the LRDP that to acknowledge them all is not possible. Among them are members of the advisory committees established to guide the development of the LRDP (listed in Appendix B); members of the Chancellor's Cabinet; UCSF's deans, directors and managers; the UCSF Foundation; individual faculty members; members of the Campus Planning Office; other UCSF staff and students; and many, many others. It is appropriate to formally thank those who have played a direct, ongoing role in preparing the studies, writing the analyses and providing the graphics that have come together between these cover pages.
