Re: Final Environmental Impact Report for the UCSF Child, Teen, and Family Center
& Department of Psychiatry Building Project
State Clearinghouse Number 2016052065

Thank you for taking the time to review and comment on the Draft Environmental Impact Report for the above-named project. This letter is to notify you that the Final Environmental Impact Report (Final EIR) is now available, which includes written responses to comments received during the public review period. The Final EIR is available on the UCSF Campus Planning website at <http://campusplanning.ucsf.edu/>.

The Final EIR contains the comments received on the Draft EIR, UCSF's responses to those comments, staff-initiated text changes, and a mitigation monitoring and reporting program.

It is anticipated that the Regents of the University of California ("Regents") will consider certification of the Final EIR at its May 17-18, 2017 meeting in connection with approval of the proposed project. The meeting will be held at the UCSF Mission Bay campus site, UCSF Mission Bay Community Center, Robertson Auditorium at 1675 Owens Street. The agenda, including meeting start time, will be available on the UC Regents website 10 days in advance of the meeting:
<http://regents.universityofcalifornia.edu/meetings/index.html>

Members of the public are invited to address the Regents whenever the Board or any of its Committees meet, in accordance with University guidelines that can be viewed and are available at:
