Project Title: UC Hall First Floor Mural Removal
Project Location: University of California, San Francisco; Parnassus Heights campus site
County: San Francisco

Project Description: The University of California, San Francisco (UCSF) proposes to remove the “History of Medicine in California” murals from Toland Hall, a lecture room located on the first floor of UC Hall, Room 142. The murals need to be removed prior to interior demolition and abatement of the building for future demolition of UC Hall and construction of the planned Research and Academic Building (RAB). The murals would be relocated to a UCSF storage facility at Oyster Point or other appropriate facility, based on space availability. The reinstallation of the murals in a new location will be part of a separate project once a new location has been determined. The proposed project is consistent with the UCSF 2014 Long Range Development Plan, as amended.

This is to advise that the University of California (Lead Agency) has approved the above-described project on June 21, 2021 and has made the following determinations:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for the UCSF Comprehensive Parnassus Heights Plan and Long Range Development Plan Amendment #7, including the proposed project, pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Final Environmental Impact Report for the UCSF Comprehensive Parnassus Heights Plan and Long Range Development Plan Amendment #7 which analyzes development campus-wide, including the proposed project, and record of project approval are available to the general public at: UCSF Campus Planning, 654 Minnesota Street, 2nd Floor, San Francisco, CA 94143-0287, (415) 502-5952, or online at http://campusplanning.ucsf.edu/
